The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

**AWARD OF CONTRACT FOR WATER CONSERVATION
BEST MANAGEMENT PRACTICES
(SUPERVISORIAL DISTRICTS 3, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to award a contract to assist the Los Angeles County Waterworks Districts in implementing Water Conservation Best Management Practices required by the California Urban Water Conservation Council in the Memorandum of Understanding regarding Urban Water Conservation in California.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act.
2. Award the contract for Water Conservation Best Management Practices in an annual sum not to exceed \$335,100 to Niagara Conservation Corporation, headquartered in Cedar Knolls, New Jersey, with a local office in La Crescenta, California. This contract will be for a term of one year commencing on March 14, 2009, with three 1-year renewal options, not to exceed a total contract period of four years.
3. Authorize the Director of Public Works or her designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract, if required; and to adjust the annual contract sum for each option

year to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract.

4. Authorize the Director of Public Works or her designee to execute the contract; to renew the contract for each of the three additional one-year renewal options if, in the opinion of the Director of Public Works, Niagara Conservation Corporation has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works, it is in the best interest of the County to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to assist the Los Angeles County Waterworks Districts (Districts) in implementing Water Conservation Best Management Practices (BMPs) required by the California Urban Water Conservation Council (CUWCC) in the Memorandum of Understanding (MOU) regarding Urban Water Conservation in California. The Districts may also request assistance from the contractor in distributing information to customers during the audit process related to two of the BMPs. The Department of Public Works (Public Works) has contracted for this service since March 2005.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Service Excellence (Goal 1), Organizational Effectiveness (Goal 3), Children and Families' Well-Being (Goal 5), and Community Services (Goal 6). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. The contract is for an annual amount not to exceed \$335,100 plus 10 percent for unforeseen, additional work within the scope of the contract, if required, and any applicable annual cost-of-living adjustment in accordance with County policy and the terms of the contract. This amount is based on the unit prices quoted by the contractor and our estimated annual utilization of the contractor's services.

Financing for the first year of service is included in the Fiscal Year 2008-09 Internal Service Fund Budget, which will be reimbursed by the Waterworks District Fund Budgets. Funds to finance the contract's optional years and 10 percent additional

funding for contingencies and any applicable cost-of-living will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract will be in the form previously reviewed and approved by County Counsel (Attachment A). The recommended contract with Niagara Conservation Corporation was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the Chief Executive Officer's and your Board's requirements.

The contract contains terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for this contracted service was submitted on October 30, 2008, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended

contract, which is for services required on an as-needed, and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

The contract includes a cost-of-living adjustment provision, which is in accordance with your Board's Policy approved January 29, 2002.

ENVIRONMENTAL DOCUMENTATION

This service is categorically exempt from the provisions of the California Environmental Quality Act (CEQA). This service is within a class of projects that has been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301, Class 1 of CEQA.

CONTRACTING PROCESS

On October 30, 2008, Public Works solicited proposals from 205 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's bid website (Attachment B), and an advertisement was placed in the *Los Angeles Times*.

On December 3, 2008, three proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. One proposal was disqualified for late submission. The remainder of the proposals having met these requirements were then evaluated by an evaluation committee consisting of Public Works staff using the average scoring method. The committee's evaluation was based on criteria described in the RFP, which included the price, experience, references, and work plan/quality assurance and customer service programs. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, responsive, and responsible proposer, Niagara Conservation Corporation.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees as this service is presently contracted with the private sector.
